INVITATION

Dear Colleague,

It is our proud privilege to welcome you all to the 16th National Congress of Andrology(ANDROCON 2011), to be held on 18th – 20th February, 2011 at DMC&H, Ludhiana. This Congress is going to be a premier event in the education of those who are dealing with male infertility, male sexual dysfunction, cancer of male genitourinary system and assisted reproductive technologies. Major event of the conference will be launching of the society of ageing male (Andropause Society of India). Teaching Faculty including stalwarts in the field of Andrology from India & abroad have consented to be a part of this mega event.

Ludhiana the Manchester of India is the industrial hub of Punjab and is famous for exporting auto parts, cycle parts, hosiery goods and sewing machines.

Ludhiana is also an education centre of Punjab.Punjab Agricultural University(PAU) is known for bringing about green revolution in India. There are two Medical Colleges in Ludhiana. Christian Medical College is one of the oldest medical colleges in India.

Dayanand Medical College & Hospital is a 1200 bedded tertiary care hospital with all super specialties, state of the art cardiac centre kidney transplant unit and well equipped modern diagnostic facilities. It has teaching program, including undergraduate as well as postgraduate training in all subjects, and D.M. and M.Ch courses in many disciplines. The Hospital has got largest emergency and ICU care services in Northern India.

About 140 km from Ludhiana is the Golden temple, Amritsar and Wagha Border. Sightseeing could be arranged for the same. We hope you all will enjoy the academic feast & Punjabi Hospitality during the three days stay here.
